

Abb.601 Beispiele für Material-"Check-Listen" für einige klinisch-chemische Proben bzw. Untersuchungsmethoden*

SURVEY EQUIPMENT - Blood Taking

- (1) Lancets, disposable 200
- (2) Cottonwool 2 lbs.
- (3) Methylated spirit 1 ltr.
- (4) Syringes, plastic, disposable 200
- (5) Needles
- (6) Centrifuge tubes, 15 ml, plastic 150
- (7) Rack for 70 centrifuge tubes 1
- (8) Centrifuge 1
- (9) Serum containers, plastic, with lid, 4 ml 200
- (10) Cellulose 5 lbs.
- (11) Sphygmomanometer 1
- (12) Felt pen 1

This is for one week's supply.

For additional supply twice a week:

- (1) Lancets, disposable 100
- (2) Syringes, disposable 100
- (3) Needles
- (4) Serum containers 100

SURVEY EQUIPMENT - Urine Collection

- (1) Urine containers, 100 ml 250
- (2) Hydrochloric acid, conc. 1 ltr.
- (3) Pasteur pipette (dropping) 10
- (4) pH-paper 5 rolls
- (5) Felt pen 1

- Stool Collection

- (1) Stool containers, plastic 250
- (2) Anal tubes 100
- (3) Lysol 1 drum

SURVEY EQUIPMENT - Haemoglobin-Determination

- (1) FINDER Haemoglobinometer 1
- (2) Cuvettes 5
- (3) MARKING-pipette, 20 μ l 2
- (4) Tips for (3), yellow 200
- (5) Bottle, 1 ltr. 2
- (6) Salt mixture for DRAPKIN's solution, 1 ltr. 6
- (7) Graduated cylinder, plastic, 1 ltr. 1
- (8) ZIPPETTE, 10 ml, calibrated for 5 ml 2
- (9) Graduated flask, 50 ml 2
- (10) Small test tubes with rubber stopper 150
- (11) Test tube racks for 70 tubes
- (12) Felt pen 1
- (13) Record book 1
- (14) Distilled water 4 ltr.

This is one week's supply.

The following supply has to go into the field twice a week:

- (1) salt mixture for 1 ltr. DRAPKIN's solution 2
- (2) Distilled water 2 ltr.

SURVEY EQUIPMENT - Haematocrit-Determination

- Electrophoresis - Total Protein

- (1) Haematocrit reader 1
- (2) Haematocrit centrifuge 1
- (3) Capillaries, heparinized 250
- (4) Capillaries, plain 250
- (5) Camping gas burner 1
- (6) Camping gas, small tins 6
- (7) Bunsen burner with tubing 1
- (8) Racks for 70 capillaries 2
- (9) Transport racks for 300 cap.
- (10) Record book for haematocrit 1
- (11) Record sheets for electrophoresis 20

This is one week's supply.

The following supply has to go into the field twice a week:

- (1) Capillaries, heparinized 150
- (2) Capillaries, plain 150
- (3) Camping gas, small tins 3
- (4) Record sheets, electrophoresis 10
