PLEASE READ THROUGH THESE PAGES BEFORE STARTING YOUR DIARY

We would like you to keep this diary of everything you eat and drink over 4 days. Please include all food consumed at home and outside the home e.g. work, college or restaurants. It is very important that you do not change what you normally eat and drink just because you are keeping this record. Please keep to your usual food habits.

Day and Date

Please write down the day and date at the top of the page each time you start a new day of recording.

Time Slots

Please note the time of each eating occasion into the space provided. For easy use each day is divided into sections, from the first thing in the morning to late evening and through the night.

Where and with whom?

Please tell us what **room or part of the house** you were in when you ate, e.g. kitchen, living room, and tell us **whether you ate at a table or not** and **whether you were watching television**. If you ate at your work canteen, a restaurant, fast food chain or your car, write that location down. We would also like to know **who you share your meals with**, e.g. whether you eat alone, with your partner, children, colleagues, or friends.

What do you eat?

Please describe the food you eat in as much detail as possible. Be as specific as you can. Pages 16 - 21 will help with the sort of detail we need, like **cooking methods** (fried, grilled, baked etc) and any **additions** (fats, sugar/sweeteners, sauces, pepper etc).

□ Homemade dishes

If you have eaten any **homemade dishes** e.g. chicken casserole, please record the name of the recipe, ingredients with amounts (including water or other fluids) for the whole recipe, the number of people the recipe serves, and the cooking method. Write this down in the recipe section at the end of the record day. Record how much of the whole recipe you have eaten in the portion size column (see examples on pages 4 - 15).

□ Take-aways and eating out

If you have eaten **take-aways** or **made up dishes not prepared at home** such as at a restaurant or a friend's house, please record as much detail about the ingredients as you can e.g. vegetable curry containing chickpeas, aubergine, onion and tomato.

Brand name

Please note the **brand name** (if known). Most packed foods will list a brand name, e.g. Bird's eye, Hovis, or Supermarket own brands.

□ Labels/Wrappers

Labels are an important source of information for us. It helps us a great deal if you enclose, in the plastic bag provided, labels from all **ready meals**, labels from **foods of lesser known brands** and also from any **supplements** you take.

Portion sizes

Examples for how to describe the **quantity** or **portion size** you had of a particular food or drink are shown on pages 16 - 21.

For foods, quantity can be described using:

- **household measures**, e.g. one teaspoon (tsp) of sugar, two thick slices of bread, 4 tablespoons (tbsp) of peas, ½ cup of gravy. Be careful when describing amounts in spoons that you are referring to the correct spoon size. Compare the spoons you use with the life size pictures at the back of this diary.
- **weights from labels**, e.g. 4oz steak, 420g tin of baked beans, 125g pot of yoghurt
- **number of items**, e.g. 4 fish fingers, 2 chicken nuggets, 1 Rich Tea biscuit
- **picture examples** for specific foods on pages 22-24.

For drinks, quantity can be described using:

- the **size of glass, cup etc** (e.g. large glass) or the **volume** (e.g. 300ml). Examples of typical drinks containers are on pages 26-27.
- **volumes from labels** (e.g. 330ml can of fizzy drink).

We would like to know the **amount that was actually eaten** which means taking into account leftovers. You can do this in two ways:

1. Record what was served and note what was not eaten e.g. 3 tbsp of peas, only 2 tbsp eaten; 1 weetabix, ate ½
2. Only record the amount actually eaten i.e. 2 tbsp of peas; ½ weetabix

Was it a typical day?

After each day of recording you will be prompted to tell us whether this was a typical day or whether there were any reasons why you ate and drank more or less than usual.

Supplements

At the end of each recording day there is a section for providing information about any supplements you took. Brand name, full name of supplement, strength and the amount taken should be recorded.

When to fill in the diary

Please record your eating as you go, not from memory at the end of the day. Use written notes on a pad if you forget to take your diary with you. Each diary day covers a 24hr period, so please include any food or drinks that you may have had during the night. Remember to include foods and drinks between meals (snacks) including water.

Overleaf you can see 2 example days that have been filled in by different people. These examples show you how we would like you to record your food and drink, for example a ready meal and a homemade dish. Your instruction booklet contains further examples such as how to describe food eaten in a restaurant.

**It only takes a few minutes for each eating occasion!
For your convenience a separate booklet with instructions and examples is provided.**

Thank you for your time – we really appreciate it!

If you have any queries about how to complete the diary please contact a member of the NDNS Team at NatCen on freephone **0800 652 4572** between 8.30am-5.30pm.

PLEASE READ THROUGH THESE PAGES BEFORE STARTING YOUR DIARY

We would like you to keep this diary of everything you eat and drink over 4 days. Please include all food consumed at home and outside the home e.g. work, college or restaurants. It is very important that you do not change what you normally eat and drink just because you are keeping this record. Please keep to your usual food habits.

Day and Date

Please write down the day and date at the top of the page each time you start a new day of recording.

Time Slots

Please note the time of each eating occasion into the space provided. For easy use each day is divided into sections, from the first thing in the morning to late evening and through the night.

Where and with whom?

Please tell us what **room or part of the house** you were in when you ate, e.g. kitchen, living room, and tell us **whether you ate at a table or not** and **whether you were watching television**. If you ate at your work canteen, a restaurant, fast food chain or your car, write that location down.

We would also like to know **who you share your meals with**, e.g. whether you eat alone, with your partner, children, colleagues, or friends.

What do you eat?

Please describe the food you eat in as much detail as possible. Be as specific as you can. Pages 28 - 33 will help with the sort of detail we need, like **cooking methods** (fried, grilled, baked etc) and any **additions** (fats, sugar/sweeteners, sauces, pepper etc).

□ Homemade dishes

If you have eaten any **homemade dishes** e.g. chicken casserole, please record the name of the recipe, ingredients with amounts (including water or other fluids) for the whole recipe, the number of people the recipe serves, and the cooking method. Write this down in the recipe section at the end of the record day. Record how much of the whole recipe you have eaten in the portion size column (see examples on pages 4 - 27).

□ Take-aways and eating out

If you have eaten **take-aways** or **made up dishes not prepared at home** such as at a restaurant or a friend's house, please record as much detail about the ingredients as you can e.g. vegetable curry containing chickpeas, aubergine, onion and tomato.

Brand name

Please note the **brand name** (if known). Most packed foods will list a brand name, e.g. Bird's eye, Hovis, or Supermarket own brands.

□ Labels/Wrappers

Labels are an important source of information for us. It helps us a great deal if you enclose, in the plastic bag provided, labels from all **ready meals**, labels from **foods of lesser known brands** and also from any **supplements** you take.

Portion sizes

Examples for how to describe the **quantity** or **portion size** you had of a particular food or drink are shown on pages 28 - 33.

For foods, quantity can be described using:

- **household measures**, e.g. 1 teaspoon (tsp) of sugar, 2 thick slices of bread, 4 tablespoons (tbsp) of peas, ½ cup of gravy. Be careful when describing amounts in spoons that you are referring to the correct spoon size. Compare the spoons you use with the life size pictures at the back of this diary.
- **weights from labels**, e.g. 4oz steak, 420g tin of baked beans, 125g pot of yoghurt
- **number of items**, e.g. 4 fish fingers, 2 pieces of chicken nuggets, 1 regular size jam filled doughnut
- **picture examples** for specific foods on pages 34 - 36.

For drinks, quantity can be described using:

- the **size of glass, cup etc** (e.g. large glass) or the **volume** (e.g. 300ml). Examples of typical drinks containers are on 38 – 39.
- **volumes from labels** (e.g. 330ml can of fizzy drink).

We would like to know the **amount that was actually eaten** which means taking **leftovers** into account. You can do this in two ways:

1. Record what was served and note what was not eaten e.g. 3 tbsp of peas, only 2 tbsp eaten; 1 large sausage roll, ate only ½
2. Only record the amount actually eaten i.e. 2 tbsp of peas; ½ a large sausage roll

Was it a typical day?

After each day of recording you will be prompted to tell us whether this was a typical day or whether there were any reasons why you ate and drank more or less than usual.

Supplements

At the end of each recording day there is a section for providing information about any supplements you took. Brand name, full name of supplement, strength and the amount taken should be recorded.

When to fill in the diary

Please record your eating as you go, not from memory at the end of the day. Use written notes on a pad if you forget to take your diary with you. Each diary day covers a 24hr period, so please include any food or drinks that you may have had during the night. Remember to include foods and drinks between meals (snacks) including water.

Overleaf you can see **examples of 4 days** that have been filled in by different people. These examples show you how we would like you to record your food and drink, for example a ready meal and a homemade dish.

It only takes a few minutes for each eating occasion!

Thank you for your time – we really appreciate it!

How to fill in your diary

It is very important that you do not change what you normally eat or drink just because you are keeping a diary. Try to write down what you are eating or drinking as soon as you can and not leave it until the end of the day. Record food and drink eaten at home and away from home, such as at school or at a friend's house.

Whenever you have something to eat or drink write down:

When:

Each day is divided into time slots from first thing in the morning until late at night until the following morning. Find the appropriate time slot and record the exact time when you eat or drink something in the "time" column.

Where: This could be

Home	Bedroom
	At table
	Watching television
Away	Street
	Car/Bus
	Café/ Restaurant (specify Mac Donalds, Pizza Hut etc.)
School	School canteen
	Classroom
	Playground

With Whom: This could be

Alone

With family

With friends

What:

Describe your food and drink giving as much detail as you can. Include any **extras** like sugar and milk in your tea or cereal, butter or other spreads on your bread and sauces such as ketchup and mayonnaise. **Do not forget to include drinking water.**

If you know how the food was cooked (eg. roast, baked, boiled, fried), please record this. If you're unsure about how the food was cooked, please ask the person who prepared the food if possible.

On pages 12 - 17 you will find help with the sort of detail that is useful.

If you have eaten any **homemade dishes** eg. a stew or sponge cake, please make sure the ingredients and cooking method are recorded in the space provided. You may need to ask the person who prepared the dish to help you with this. If another person at home is also keeping a diary and has recorded the recipes for the same dishes as you in their diary (the ADULT diary), you do NOT need to record these recipes again, just write in your diary "see adult diary". If you have eaten any **take-aways** or any made up dishes not prepared at home such as at a friend's house or in a restaurant, please record as much detail as you can about what was in the dish eg. vegetable curry containing chickpeas, aubergine, onion and tomato.

Brand:

Please make a note of the **brand name** (eg. Heinz, Walkers, Hovis) if you know it. Most packaged foods will list a brand name.

Amount eaten:

You can write S (small), M (medium) or L (large) portion, or specify packet (eg. Crisps, Yogurt), or number of individual items (eg. biscuits), or slices (eg. cake, pizza, ham), or teaspoons (eg. sugar), or tablespoons (ketchup, peas). Be careful when describing amounts in spoons. Compare the spoon you are using with the life size spoons at the back of this diary so that you use the correct name. For drinks you can write glass (tell us the size of the glass or volume using page 18 as a guide), cup or mug. You can also write the **weight or volume from the labels** on the packaging.

On pages 12 - 18 you will find help with describing how much you had to eat or drink.

We would like to know the **amount that you actually ate**, so you need to think about how much you **leftover**. You can do this in 2 ways:

1. Record how much you were served and then how much you ate e.g. 3 tablespoons of peas, only 2 tablespoons eaten; 1 large sausage roll, ate only half
2. Only record how much you actually ate i.e. 2 tablespoons of peas; half a large sausage roll

Food labels/wrappers:

Please keep the labels or packaging from snacks, sweets, bought sandwiches and ready meals and put them in the plastic bag provided.

Was it a typical day?

After each day of recording you will be prompted to tell us whether this was a usual day (tick yes, usual) or whether there were any reasons why you ate and drank more or less than usual, e.g. I did eat less because I was sick; I drank a lot because I did sports.

Supplements

At the end of each recording day you need to tell us about any supplements you took. If you didn't take any just tick NO. If yes, then please tell us the name of the supplement (e.g. vitamin C), brand (e.g. Boots), strength (it will tell you on the label - e.g. 50 mg) and how many you took (e.g. 1 tablet).

If you have any queries about how to complete the diary please contact a member of the NDNS team on freephone **0800 652 4572** between 8.30am and 5.30pm.

On pages 4-11 of the diary we have filled in a two whole days to show you what to do.
