Eating and Drinking

Affiliated Societies

The multidisciplinary FOOD CHOICE theme

Conferences including the research theme of Food Choice as talks, posters and workshops on cognitive, cultural, economic, interpersonal, physiological and sensory research into the selection and intake of foods and drinks and their influences on health and other benefits to human consumers and to other species on the planet.

The consultants regarding meetings including the "Food Choice" theme as represented in the FCC series are: Jeffrey Sobal <JS57@cornell.edu>, Patricia Pliner <pliner@credit.erin.utoronto.ca>, Annie Anderson <a.s.anderson@dundee.ac.uk>, Secretary: David Booth <D.A.Booth@Bham.ac.UK> www.bfdg.bham.ac.uk

International Commission on the ANTHROPOLOGY of FOOD

A Commission of the International Union of Anthropological and Ethnological Sciences (IUAES)

The International Commission on the Anthropology of Food (ICAF) was established in 1977, as a forum for biological and social anthropologists, as well as experts from other disciplines to discuss food and nutrition. For further information on ICAF, on membership or on conferences, contact the General Secretary: Dr Annie Hubert: Email: ahubert@worldnet.fr

International Commissioner: Dr Igor de Garine: Email: garine@wnadoo.fr.
E-mail addresses of the Chairs of the five regions are: Europe: Dr Helen Macbeth: hmacbeth@brookes.ac.uk; North America: Dr Michael Little: mlittle@binghampton.edu; Latin America: Dr Luis Vargas: lavargas@servidor.unam.mx; Pacific and Australasia: Dr Nancy Pollock: Nancy. Pollock@vuw.ac.nz; South Asia: n/a.

Association for the Study of FOOD in SOCIETY

www.nyu.edu/education/nutrition/NFSR/ASFS.htm

ASFS was founded in 1987 in order to consolidate the sociology of food and to develop interdisciplinary understanding of social aspects of food and nutrition.

ASFS meets annually with the Agriculture, Food and Human Values Society, and runs a Newsletter and the Journal of ASFS. The current President of ASFS is Dr Alice Julier, Smith College, e-mail: ajulier@smith.edu and the secretary is Jonathan Deutsch, Kingsborough Community College, CUNY, email: jdeutsch@kingsborough.edu

The Society for the Study of INGESTIVE BEHAVIOR

www.ssib.org

SSIB is committed to advancing scientific research on food and fluid intake associated biological and social processes. The Society provides a multidisciplinary environment for the free exchange of ideas and information, and serves as a resource for scientific expertise and education on topics related to the study and ingestive behaviour.

SSIB was incorporated in the U.S.A. in 1987 for the purposes of: (1) conducting interdisciplinary research exchanges through meetings, newsletters, other media, and (2) disseminating information on research.

Information on the Society and its annual meeting can be obtained from the SSIB Central Office, 8181 Tezel Road, #10269, San Antonio, TX 78250, U.S.A. Tel: +1 210 682 4190; Fax: +1 219 682 4195; E-mail: ssib@ssib.org

Association for Research in NUTRITIONAL BEHAVIOUR

Arbeitsgemeinschaft Ern hrungsverhalten (AGEV)

People eat from hunger but also to cultivate friendship, to signal social position, to express ethical or religious convictions, for comfort and many other reasons. AGEV was founded in 1977 with the aim of uniting all approaches to the study of human dietary behaviour. The Association promotes exchange among the natural, social, and cultural sciences, in research planning and evaluation. AGEV convenes national and international conferences for scientists and practitioners from all aspects of nutritional behaviour. The current chairperson is Ulrich Oltersdorf, E-mail: oltersdorf@bfe.uni-karlsruhe.de; AGEV E-mail: webmaster@agev-rosenheim.de

International Society of BEHAVIORAL NUTRITION and PHYSICAL ACTIVITY

<http://www.bcm.tmc.edu/cnrc/ISBNPA/index.html>

ISBNPA's mission is to stimulate, promote and advocate innovative research and policy in the area of behavioral nutrition and physical activity for the betterment of human health worldwide. ISBNPA aims to be the international leader in advancing and fostering excellence in research on behavioral nutrition and physical activity. The Officers of the Society include Deborah J. Bowen, PhD, President, Gaston Godin, PhD, President Elect, Monique Raats, PhD, Secretary, and Wayne Miller, PhD, Treasurer. The other Executive Committee members include Kylie Ball, PhD, Ilse De Bourdeaudhuij, PhD, Ronald E. Kleinman, PhD, Wendy M. Rodgers, PhD, Pedro J. Teixeira, PhD, Willem van Mechelen, MD, PhD.
